OBJECTIVE:

Seeking a challenging job that would utilize my expertise, skills, and knowledge
In Technical, Facilities Management & Administration.

WORK EXPERIENCE:

Clint Name: Quotient Technology India Pvt Ltd **Jun 2022 – Current**

Role: Facility Executive – Administration & Facility Management.

Payroll company: Macrolink Solutions Services Pvt. Ltd

Job Profile

- Day-to-day management of facility & infrastructure
- Responsible for all duties related to housekeeping, maintenance, transportation, and security operations.
- Responsible for overseeing housekeeping duties in the facility and ensuring overall cleanliness and maintenance.
- To prepare the annual events calendar and coordinate various office and offsite events including monthly birthday celebrations, festivals, team building activities, CSR events, and hiring events with the HR team.
- To coordinate employee onboarding and offboarding, conduct induction for new employees on facilities, provide an employee induction kit, process employee ID cards, and arrange seat allocation and transportation.
- Preparing monthly facility expenditure reports, budgeting, validating and processing invoices, and coordinating with the finance team.
- To effectively manage security services, I will provide training and briefings to staff as needed. I will also monitor deployment and security protocols.
- To maintain a clean and hygienic workplace environment, manage housekeeping services and procure pantry and stationery consumables.
- Travel management involves assisting employees with transport-related issues, monitoring the transport team and vehicles, and overseeing automated transport tools for trip sheet validation and billing.
- To maintain all office equipment, prepare PPM schedules, manage maintenance activities to ensure continuous operation of the business, and monitor vendor performance.
- Effective planning and execution of administrative activities in accordance with the approved budget.

- Coordination with the purchase and maintenance of office automation products, including furniture, electrical, pantry, stationery, housekeeping materials, and consumables.
- Space management, seat allocation for new employees, and planning for efficient space use in workstations, cafeteria, and recreational areas
- To manage the cafeteria, ensure food quality and staff hygiene, maintain the juice counter, and validate amenity coupons.
- Planning the menu for special lunch/dinner, organizing monthly food committee meetings, and ensuring the food service meets expectations.
- Quality check on raw materials used by vendors as part of the audit activities and ensure proper waste management per current regulations.
- Request and receive employee feedback at regular intervals with comments for improving query management.
- To monitor the timely closure of facility tickets in the Ticketing tool, avoid escalations & present the reports monthly.
- Work closely with HR to help manage the recruitment process.
- IT Asset management: Allocate the assets to new Joiners & collect the assets with departing employees, at the office or through a courier & making the reports.
- Receiving employee's requirements & arranging.
- New Vendor Identification. Taking quotation, rates comparison & negotiation.
- Fixed asset management: maintaining furniture & fixture asset register & physical ID.
- Supervising the technicians during complaints, modifications work, and snag points.
